

Lido Classics Lake Skinner

September 14-16 , 2007

Hi All, Big Bear campout and race has been moved to Lake Skinner due to permit problems. Lake Skinner is a great lake for racing and camping and they are welcoming the Lido Fleet to race on the Lake.

In addition the Lake is much closer, easier drive, no hills, better camping facilities and MUCH WARMER !!!

The Regatta will be held in the middle of the Lake in Temecula, Ca. Launching from the County park docks. It's a great facility, with launch ramp, docks, camping, and a great windline !

We have reserved the group camp facility for camping, parking, tents, trailers, boats and RV's. A great spot for the big party Sat night and camping at waters edge !

There is much to do at Lake Skinner including, boat rentals, fishing, hiking, relaxing or RACING ! For none racers you are just a mile away from great winerys.

Evening events include: a great BBQ, Trophies, and of course live band with THE

Sign up NOW, we need a head count so we can plan a great event...more details on back and on the website
